OFFICE NOTE

The expenditure on the Normal School at Mysore is debited to the Village School Fund Budget, but half the cost is contributed from Provincial Funds

The stipends or scholarships given in the school number 72 and cost Rs 414 per mensem or 4968 per annum - Of these, 16 stipends are reserved for Mahomedans as follows -

	No	
V class @ Rs 5	8	40
VI class @ Rs 6	4	24
VII class @ Rs 6	4	24
	16	88

The Inspector General wishes to add 16 more stipends, ~~for all~~ Mahomedans, of Rs 6/- each to those now allowed for the VI and VII classes, and points out that this increase of stipends is necessitated by the want of Mahomedan teachers who have passed the Upper Secondary Examination

The additional cost involved is Rs 1152 per annum of which Rs 576 are required for expenditure during the current official year

In the Village School Fund Budget of the curren year, it was found that the estimate of receipts was less than the estimated expenditure, and it was directed that the deficit be made good from the accumulated interest (about Rs 33,000) on the amount of 2 lakhs invested in Government Securities If the present proposal is sanctioned, the cost may be ordered to be met from the same source

OFFICE OF INSPECTOR GENERAL OF EDUCATION IN MYSORE

No 3734/140 Encls 1 ~~Bangalore~~ Mysore 4 November 1898

From

H J BHABHA Esq.,

Inspector General of Education in Mysore

To

The Secretary to the Government of Mysore
in the General & Revenue Depts,
Bangalore.

SIR,

I have the honour to inform you that in the Government Normal School Mysore which is the only institution of the kind in this Province that prepares candidates for the Vernacular Upper Secondary Examination and the Teachers' Certificate Examination of the Upper Secondary Grade, there are four stipends set apart in each of the VI and VII classes for Muhammadan Teachers. Since the beginning of 1897 two other Normal Schools besides that of Mysore, viz, those of Kolar and Shimoga, have been training teachers for the Lower Secondary Teachers' Certificate, eight of whom in each school are Muhammadans, Under these circumstances

quest that Government will kindly sanction from 1st January 1899 an increase of stipends of Rs 6 each from 19 to 27, for each of the VI and VII Classes of the Mysore Normal School. By this increase the number of stipends for Muhammadan teachers in each class will be raised from four to twelve, five of which will be reserved for the Hindustani Teachers of the West Circle and seven for the Hindustani Teachers of the East Circle. This increase in the stipends is required in the interests of the Hindustani Schools of the Province which contain very few teachers who have passed the Upper Secondary Examination.

The additional provision necessary for the stipends of the VI and VII classes will be Rs 1152 a year, of which Rs 576 only at the most will be utilised in 1898-99

The total amount at present provided for stipends of teachers under training in the Mysore Normal School is Rs 4968 per annum

A copy of Notification D No 16 dated 15th November 1897 giving the rules of the Mysore Normal School is herewith enclosed for reference.

I have the honour to be,
Sir,
your most obedient servant,
H B Bhabha
Inspector General
